CLASS POEM

DISCOVERY

A rocky shore, with sea at lowest ebb,
A multitude of hidden forms revealed;
In tidal pool the bloom of Nature dressed
In algal coat and russet-flecked shield.
A small crab cowers, hid in damp retreat,
Awaiting there the influx of the tide.
A gull stands proudly over his domain,
His gluttony at last well-satisfied.
The tide returns, the drama is enveiled,
The gull's now forced to flee the rising sea.
Could human souls so easily be shown,
Could mankind see itself in such degree,
Could all the world discover its true worth,
Then could we too learn, frankly, what we be.

—Robert Simon

CLASS HISTORY

FRESHMAN YEAR

September fifth was **the** day. In a state of great mental confusion we entered the hallowed halls of C.H.L.S. For numerous weeks we blindly stumbled through the vast labyrinth (Old Latin Building, New English Building, War Memorial, etc.) from one class to another. Days quickly turned into weeks and in no time at all we found ourselves in the midst of the G.A.A. Initiation. As we paraded through the school in full regalia, we again felt miserably apparent in our lowly rank as freshmen. On November 22nd tragedy struck in our world within a world with the death of our President, John F. Kennedy. When the initial shock had worn off, we resumed our activities and scholastic pursuits. Time flew, and soon we returned from Christmas vacation. With February came the invasion of Beatle-mania, which has left its imprint in the dress and hairstyles of the whole student body. Towards the end of June we said goodbye to our indoctrination year at Cambridge Latin, and looked forward to September when we would be older and wiser Sophomores.

SOPHOMORE YEAR

Our Sophomore year was full of fun and surprises. One frigid Friday upon entering school, we found the building to be no warmer than chilly. By noontime we were informed that a boiler had broken down; therefore, we had the good fortune of being dismissed shortly after lunch. It was also during this year that the Latin basketball team defeated our arch rivals, the Rindge Warriors who had been perennial Tech Tourney stars. A great precedent was broken when on Monday the fourth of January the school cafeteria failed to serve spaghetti. The next few months passed with out any major disturbances. Prize Day and the Spring Concert were both tinged with nostalgia as we paid tribute to our retiring headmaster, Mr. Sheehan. Soon afterward we were issued our final report cards with the memorable word JUNIOR written across it.

JUNIOR YEAR

Junior year, the year we welcomed Mr. D'Arcy, was one of victory and awakening. The Cantab football team actually "Wrecked Tech" on Turkey Day with a marginal victory of 30-26. Latin again triumphed over the Rindge Warriors in basketball 78-68. The Drama Club also triumphed with two outstanding productions of the Broadway plays CARNIVAL and A THURBER CARNIVAL. This too, was the year when students discovered their roles in school affairs, and the world around us. Most of us took on a new maturity, and a new outlook on life. With the graduation of the senior class on June sixth we became the leaders, and the next graduating class.

SENIOR YEAR

Senior year has been the culmination of our high school careers. Class elections inspired stronger school spirit as well as stronger class unity. The Cantabs' come-from-behind victory on Thanksgiving contributed to making our senior year a memorable one. Latin was greatly honored by acting as host to the

Repertory of Classical Drama who for six weeks presented three of Shakespeare's finest plays. One unforgettable characteristic of our senior year will be the tensions and apprehensions of all the students either over college admissions, or future jobs. Thus, our four years at Cambridge High and Latin have been rich with rewarding experience.

CLASS PROPHECY

Time: 1984 Scene: Harvard Square

At the newstand the major newspaper, Cambridge Chronicle edited by **Francis Kelley** is full of news of **Mayor Dan Fleming's** efforts to appoint **James Butler** as City Manager. Councillors **Steve Sugrue** and **Ron Quick** lead the campaign. School committee-woman **Jane Hockman's** appointment of **Harold Jay** as headmaster of CHLS was passed.

On a more national scene President **Lester Lee** has appointed **Paul Weinstein** to fill the vacancy of Secretary of the Treasury.

In sports, Celtics coach **Dick Walsh** has lead the team to its thirtieth consecutive championship while the Bruins coached by **Tom Murphy** and featuring a line of **Rich Sheridan, Ed Reid,** and **Joe St. George** is still in the cellar. Football's "golden toe" **Greg Dottin** set a scoring record, as bruising **Pierre Marchando, Miguel Hernandez, Ed Kendall,** and **Doug Defuria** make up the fearsome foursome of the Boston Patriots. America's Olympic hopes this year are with **Steve Linnehan's** shot put, **John O'Brien's** javelin, and **Barry Spector's** magic feat on the track, while the swimming hopes rest on the shoulders of **Bill Buchanan** and **Rich Cronin.**

Pending in Federal Court is a suit by **Sharon Clapp** against syndicated gossip columnist **Lois Andelman.** There seems to be some question to the veracity of Sharon's speed of typing. Her attorney, **Irving Crumlin** has scheduled the case for next week before Judge **Frank Gutoski.**

On the theater page, headlined is a special concert to be given at the piano by **Paul Deleo** followed by **Joe Burke's** Dixieland Band featuring **Bob Kilbasian** and **Mary Cummings. David Young** and **Keith Gamble** are slated to open in "The Taming of the Cantabs," a play written and directed by **Ruth and Elizabeth Wurmfeld. Cathy Moss** will also star as an English teacher trying to catch her students reading review outlines. Also appearing now at the Harvard Square Theater for a limited engagement is "The Hustler" starring **Steve Palaima.**

The Nobel Prize in Chemistry was awarded to **Robert Simon** and **James Stevenson** whose discovery of atomic soda pop has everyone reacting. Prior to the award the two scienctists received a three million dollar contract with Brigham's. Co-owners **David Pincus** and **William Gibbons** have expressed hopeful feelings when asked about the transaction. **Christian Abegglin** took the literature award while the peace prize goes to **Brian Smith** (a professor at Harvard now) for his work in settling the long lasting East Cambridge - North Cambridge boundary dispute.

Ed Medeiros, leader in the battle for a democracy in the plant kingdom, has written an article in a leading magazine and has hired **Bill Martel** and **John Wolf** to photograph the underprivileged plants.

Bill King has finally made it to the top at C.H.L.S. teaching Spanish on the third floor. In local news, **John Walsh** is the new basketball coach at C.H.L.S., while **Paul Frassa** has been appointed head of the Math Department. As a result of a recent snowstorm Superintendent of Schools **Bill O'Connell** postponed school for a week. The **Fantini** Brothers,

Alfred and **Al,** have signed with **Vic Dabauskas'** Boston Football Bombers. Vic's formation of the league can be attributed to the success he has had with his newly opened plant "Naragansett on the banks of the Charles." **Dan Kizarian** and **Paul Barry** have also returned signed contracts to the Red Sox. Police Officer **Dana Filmore** was forced to arrest **Bob Gallant** for preaching in the Public Library now headed by **Gerry Le Bianc.**

Lastly, a personal note, **Louise Pakstis** has given up her Karate classes to teach English 4 at C.H.L.S. Louise, it's good to see you've taken the proper courses.

FOOTBALL TEAM

Our season record this year of four wins and five losses does not manifest the true ability of this year's team. Key injuries and tough breaks throughout the season prevented Latin from earning their second consecutive winning season. Head Coach John Noble along with his assistants, Dick Fusco, Peter Budryk, and Jim Coady have molded a comparatively small team into a tough, fast, and spirited ball club.

The players who made the team a strong contender, however, deserve most of the credit. Contributing seniors were: Captain John Murray, Ed Kendall, Pierre "Butch" Marchando, Vic Dubauskas, Mike Venturini, Don Harrison, Irv Crumlin, Al Fantini, Larry Goodwin, Greg Dottin, Miguel Hennandez, Doug DeFurria, and Joe Correia. The highlights of this year's season was the trouncing of Rindge for the second consecutive time on Thanksgiving morning.

The Senior Class wishes Coach Noble and Captain-elect Tom Fratto the best of luck for next year's season.

First Row, left to right: Ed Reid, Mr. Lyons. **Second Row, left to right:** Richard Sheridan, John Obrien, and Thomas Murphy.

VARSITY CLUB

The Varsity Club is one of the newest clubs in the school organized by Mr. Paul Lyons for varsity letter winners. This year's offices of Ed Reid (President) Tom Murphy (Vice Pres.), John O'Brien (Secretary), and Rich Sheridan (Treasurer) have done an excellent job in running their three major functions.

On Thanksgiving night the Varsity Club ran a very successful dance where a trophy was presented to the Most Valuable Player of the Rindge Game who was Greg Dottin. They held a Varsity-Faculty basketball game which turned out to be quite a hit. The Varsity Club also holds a banquet at the end of the year where trophies are given out. This trophy, one for every sport, goes to the senior who has contributed most to the success, welfare, and reputation of the team. There is also an unsung hero award and a scholarship award.

BASKETBALL TEAM

The 1967 basketball team compiled a disappointing record of five wins against fifteen defeats due mainly to the lack of height. This record does not exemplify the fine ability, drive, and spirit of the team which was led by Captains Jim Butler and Ron Quick.

John Walsh, who starred as a junior, led the team in scoring and rebounding. Rich Walsh played great all year and won the Joseph Sheehan Foul Shooting Trophy. Ron Quick, who as a junior broke the free throw percentage record, led Latin's offensive attack. Jim Butler and Pierre Marchando came off the bench many times to spark Latin. These seniors contributed greatly to make this season a success.

Coach Lyons did a fine job coaching our team and should be congratulated. Next year's team will have a good nucleus to build around in starters Rich Han, Tom Fratto, and Don Lane. Good Luck to next years team.

BASEBALL TEAM

This year's baseball team is hopeful of having a successful Suburban League Season. With the return of eight lettermen from the 1966 team, there is a solid nucleus of talent from which a contender can be built. Coaches Foley and Caulfield will work with Captain Tom Murphy and the rest of the players with the aim of having a prosperous season.

Experienced senior members of this year's team and those who will step in to fill the vacancies left through graduation are: Infielders — Capt. Tom Murphy, Jim Costa, and Joe St. George; outfielders — Jim Butler and Dan Kizerian; and catcher Paul Barry.

The members of the baseball team would like to thank the coaches for their invaluable guidance and assistance over the past four years. Mr. Foley, Mr. Caulfield, and Mr. Duffy are three of the finest coaches in high school athletics and the players are proud to have been associated with them.

The swim team enjoyed the most successful season in its history, this year as it lost only one meet while winning eleven. Led by captains Glenn Koocher and Bob Walsh, and helped unmeasurably by our own coach, Mr. Thomas Kenney. CHLS was a powerhouse in Eastern Massachusetts. Among the outstanding members with the team was Bill Buchannan, a four year letterman with abounding team spirit, determination, and power. Glenn Koocher, another four year man, helped the team achieve its success. Truly a great swimmer, Richard Cronin pulled the team out of many difficult situations, while Bill Reynolds supplied the power for a well balanced club.

Among the honors won by Latin were: setting the scoring record for most points in a meet; and victories won. This team which only a few years ago was unable to win but a few contests a season literally stunned the opposition.

This team displayed sportsmanship, determination, and a dedication not found anywhere else, certainly the greatest swimming team and one of the finest athletic teams that Cambridge High and Latin School has ever seen.

CROSS COUNTRY

The cross country team, led by Joe St. George, surprised many teams in the tough Met Track League. Although the team finished with an unimpressive record many excellent track times were recorded. Rich Cronin was Latin's top runner. Other seniors that contibuted to the team were Rich Sheridan, Barry Spector, and John O'Brien.

First Row, left to right: B. Spector, P. Weinstein, D. Greenblatt, S. Linehan, J. O'Brien, R. Cronin, C. Ward, L. Lee. **Second Row, left to right:** R. Sintiris, D. Laos, W. Lyons, R. Gifford, L. Edwards, S. D'Arcy, J. Colton. **Third Row, left to right:** W. Evertez, P. Collazo, R. Quick, B. Tegon, P. Poppovics, L. Richardson, D. Harrison, J. Souza.

TRACK TEAM

The Indoor Track Team had its worst season in a decade finishing in the cellar of the tough Met Track League. Although the team finished the season with an impressive record, they had the ability to win the Division Three trophy. Led by Captains Steve Linehan, John O' Brien,and Russs Pierce the "Flying Cantabs" were hampered by injuries all year.

Although the team was composed of many underclassmen, the seńiors played an important role. Rich Cronin, who was practically undefeated in the mile and the thousand, along with John O'Brien, who was an excellent high jumper, were picked for the All-star team. Barry Spector ran some great two miles while Clayton Ward and Dan Greenblatt dominated the six-hundred. Steve Linehan was a fine shot putter and Paul Weinstein was Latin's star dash man.

Prospects for next year are good with Latin's two top point scorers returning in All-Star hurdler Leo Richardson and John MacKillop.

HOCKEY TEAM

The Cantabs have enjoyed one of their best seasons in recent years, losing only one of their first nine games. Coach James Fitzgerald has done a fantastic job in molding together a team with equal offensive and defensive skills. Hustle, talent, and most important of all, desire to win, have made Latin one of the most feared teams in the G. B. I. league. Outstanding performances against strong teams such as Arlington, Newton, and Waltham, have gained, for Latin, the respect and esteem of opposing coaches and players alike.

Latin's offensive punch is provided by the first line composed of Rich Sheridan at center with Joe St. George and Don Harrison at the wing spots. Sharing starting honors are "The Big Three" on defense: Captain Tom Murphy and Ed Reid with frosh netminder Bill Kelley. The second unit is made up of Dave Botelho and Ron Marfioni at the wins, with Norm Reid centering. Back-up men on defense are Dan Crane and Brian Hayes. Completing the roster are senior goaltenders Steve Sugrue and Bill Corcoran and forwards Joe McCabe, Bob McQuire, Bill Lyons, James Travers and Dave Kenney. Congratulations for a remarkable season and best of luck to all returning lettermen. Let's hope you can carry on our winning ways in years to come.

EPILOGUE

It seems that the years have flown by. Senior year and graduation, so long awaited, have suddenly arrived. The many friendly faces, the patient thoughtful teachers, and the familiar walls of C. H. L. S. will soon be a part of the past, to be recalled wistfully and revered as happy, carefree days.

We are unable to see what the future holds for us. We do not know if we shall ever meet again, but we do know that we shall never forget each other. Each time we thumb through these pages in the years to come, our hearts will be refreshed with beloved memories.
